Syllabus English

Seventh Grade

2021-2022

Mrs. Yvonne De Jesús

Mrs. Ada Torres

August 2021-2022

I. Introduction and Description of Course.

The ESL course is developed to achieve the mission and goals of the school. To give a sequence to help in the performance of the students. By providing the necessary tools for the student's success. Using the school's curriculum this ESL course gives the necessary exposure to the English language, where students will practice speaking with the English Lab, reading with the various selection of short stories and novel, and writing with grammar topics. The ESL course encourage the students to express themselves and lose the fear of speaking the English Language.

Required Platform: EduSystem 2016 Dreyfous & Associates.

II. Course Objectives

At the end of the school year, the student will:

* Improves his/her four aspects of the English language that are:

- a) Listen
 - b) Speak
 - c) Read
 - d) Write
- Read texts and read to oral, to relate written texts and performances to their own lives. Read to oral to learn correct pronunciation that will help the students in their oral communication.
 - Get new vocabulary to apply it in a conversation or in the construction of a sentence (depending on the context of the sentence). Application of new vocabulary in a conversation or in a sentence.
 - Analyze a variety of texts given in the class to develop literal, inferential, and critical comprehension. Develop critical thinking by discussing the readings during class, to expose ideas and listen to other students' opinions, to debate ideas in a socialize conversation about it.
 - Acquire grammar skills that will help the students in their written communication skills.

Short Terms Objectives

Throughout the course the student will:

- a) Use technology to improve listening, spelling and speaking skills.
